Forecast for Monday 21 Nov 2022

Weather: Dry conditions with long clear periods lead to a cold start to Monday. Sunny periods and dry conditions continue into the morning as cloud builds west followed by a few isolated showers from the afternoon, these falling as snow above 800m.

Chance of cloud-free hill tops above 800m: 80% soon lowering to 40%.

Low Cloud and visibility: Visibility will be good with patchy cloud around 600 to 700m at first, soon increasing from the east from the afternoon. Visibility will fall poor in showers from late afternoon.
